

# BANDIT SHOOT-OUT

## 1 vs 1 Race for a 100 Dollar Bill

One of our most popular in-race events! Our PA announcer will walk through the crowd seated in the grandstands with a wireless microphone to randomly select 18-20 kids (usually grade school age) to participate in our Bandit Shoot-Out Race.

The kids then randomly draw a card that has the name of one of our race truck drivers on it. Once every participating kid has a card, we stage a single elimination race out on the track. 1 lap, 2 trucks, head-to-head competition. The truck that wins the 1-lap race survives into the next round against the next race truck and continues until we have a final winner. The child who selected that particular card wins a crisp \$100 bill – sponsored, of course, by your company! The fans love it because they tend to get behind specific trucks while cheering on the kids, and, of course, the kids love it because they can win \$100!

Includes all PA mentions, co-branded shirt, shootout cards, and the \$100 bill to present to our winner! The winning prize announcement takes place right down in front of the grandstands near the flag stand along with your participation.
